2 of 2 review helpful Very nice By Tjasa Cerovsek Love it Love the light shading in some of the outlines Coloring comes out nicer that way Pages are not overcrowded with pictures or text which makes for a nicer design altogether compared to other human anatomy coloring books No this is not my first A P coloring book But it s the first one I

enjoy both visually as well as educationally 0 of 0 review helpful A CREATIVE FUN AND EFFECTIVE WAY TO LEARN HUMAN ANATOMY More than 200 illustrations If you re looking for an interesting and innovative way to learn the various parts and systems of the human body your search ends here Anatomy Coloring Book for Health Professions is a fresh fun way for students to grasp the big picture of human anatomy through a regional approach head and neck and limbs Anatomy Coloring Book f About the Author David Morton MD Salt Lake City UT University of Utah School of Medicine Department of Anatomy
