By Michael McKinley, Valerie Dean O'Loughlin : Human Anatomy, 3rd Edition publisher of books continuing education courses and journals for fitness exercise coaching and sport human anatomy laboratory manual with cat dissections 6th edition document about human anatomy laboratory manual with cat dissections 6th edition Human Anatomy, 3rd Edition:

3 of 3 review helpful Very readable textbook By J Larsen Prior to the course I am taking now I took anatomy for 3 weeks using a textbook that was written by the professors teaching the course That book was driest and most boring textbook I ve ever read I ended up dropping the class By contrast this textbook is wonderful The images are so useful and the textbook is very readable The study tips are actually useful and With its unrivaled art program and accessible

writing style McKinley O Loughlin's Human Anatomy stands apart from other anatomy texts. High quality photographs paired with brilliantly rendered illustrations help students visualize, understand, and appreciate the wonders of human anatomy. Student friendly Study Tips, Clinical View boxes, and progressive question sets motivate students to internalize and apply what they've learned. Users who purchase Connect P About the Author Michael P McKinley received his undergraduate degree from the University of California and both MS and PhD degrees from Arizona State University. In 1978 he accepted a postdoctoral fellowship at the University of California at San Francisco.
