0 of 0 review helpful Perfect for my anatomy class By Porter I had purchased this textbook for my Human Anatomy class as it was considerably cheaper than the latest edition that was for sell in our school book store I was very pleased with the condition of the book and the content seemed to be pretty close to the latest edition which was enough for me as we didn't do very in depth into the book in my class I mainly use With its unrivaled art program and accessible

writing style McKinley O Loughlin's Human Anatomy stands apart from other anatomy texts. High quality photographs paired with brilliantly rendered illustrations help students visualize, understand, and appreciate the wonders of human anatomy. Student friendly Study Tips, Clinical View boxes, and progressive question sets motivate students to internalize and apply what they've learned. The second edition has been refi
