STUDENT CONSULT Online Access, 2e:

0 of 0 review helpful Need By Rissa I really struggled with anatomy It was difficult for me to identify high yield information and to figure out what information was testable After using this book I didn't have a problem with that The questions helped me understand which information is important and how questions will be asked on exams Explanations are clear and thorough I would definitely recommend this to anyone Now in its second edition Gray's Anatomy Review continues to be an easy to use resource that helps you relate anatomy to clinical practice and pass your exams Designed as a companion to Gray's Anatomy for Students this medical textbook is your indispensable resource for both in course examinations and the USMLE Step 1 Enhance your understanding of the subject and access more detailed information with The second edition of Gray's Anatomy is the most comprehensive question and answer review book on the market today and has greatly improved from the first edition that was published in 2010 Anthony V D'Antonio Clinical Professor and
