By Jennifer Hart PA-C ATC, Mark D. Miller MD : Netter's Musculoskeletal Flash Cards Updated Edition, 1e (Netter Basic Science) Netter's Musculoskeletal Flash Cards Updated Edition, 1e (Netter Basic Science):

7 of 7 review helpful Could use some work By DK I used to just make cards on my own by scanning Netter s images from the main atlas I bought and just printing them on note cards I picked up this product because I wanted to save myself the trouble of making a whole set The cards are of Netter s plates but they lack a significant amount of detail compared to the plates in the Atlas of Anatomy The bones are miss Master the musculoskeletal anatomy and pathology you need to know These 210 flash cards use outstanding illustrations created by and in the style of master medical illustrator Frank H Netter MD to help you test your knowledge of bones muscles ligaments tendons and joints nbsp Netter illustrations are supplemented with clinical radiographic and arthroscopic images depicting the most common musculoskeletal pathologies A respected physician ass
