3 of 3 review helpful Will be great when it s finished By jump Bought this book for studying for neurosurgery boards It seems mostly designed to be used as an online question bank as many questions and answers aren t in the book itself

Online all of the questions are in a light gray text on a white background making prolonged study very difficult You can't flag questions There are numerous pictures and charts t Ideal for both neurosurgical residents and recertifying neurosurgeons Neurosurgery Self Assessment Questions and Answers offers the most comprehensive up to date coverage available Over 1 000 clinically relevant multiple choice questions across 46 topic areas test the candidate's knowledge of basic neuroscience and neurosurgical subspecialties to an unparalleled degree and provide detailed answer explanations to facilitate learning This is an outstanding resource for residents at all levels of neurosurgical training It provides detailed full length and in depth explanations for each question and grades the questions based on difficulty The website contains even more questions a
