Laboratory Atlas of Anatomy and Physiology:

1 of 1 review helpful Five Stars By Breanna Good learning aid has very detailed labeled pictures 1 of 1 review helpful
great bargain By Elizabeth Wilson I loved that I could buy this book for 6 instead of the 130 that it is at my schools

bookstore It was crinkled and stuff like it said but it is still very usable Very fast shipping I am very pleased 0 of 0 r
Designed to accompany anatomy and physiology laboratory courses this edition includes dissections and coverage of histology It uses commonly available staining techniques and colour throughout allowing the student to compare colours in the atlas with what they see under the microscope About the Author Douglas J Eder Ph D received his baccalaureate degree in religion from the College of Wooster Ohio in 1966 Both his Masters in female endocrinology and Doctorate in physiology and biophysics are from Florida State University Doug is pre
