Dip Rehab Counselling : Field's Anatomy, Palpation & Surface Markings, 5e Field's Anatomy, Palpation &
Surface Markings, 5e:

Now in its fifth edition this reliable resource continues to be a practical guide to identification and palpation of significant anatomical landmarks and structures With a combination of clear text drawings and photographs it helps the student to acquire knowledge of structures and movements palpable below the surface and to develop their tactile skills The new edition now incorporates educational aids such as full colour photographs and drawings along wit
