0 of 0 review helpful Has a glitch By Customer I don t know if it is good or not Every kindle I load it onto runs it as a

narrow strip down the center of the page Hard enough reading about 1 2 sentences per page that way but cannot begin to see the pictures All my other titles work They have a glitch in this one and would be careful buying this until it is fixed Sobotta ndash Atlas of Human Anatomy the exam atlas for understanding learning and training anatomy The English language Sobotta Atlas with English nomenclature is specifically adapted to the needs of preclinical medical students Right from the start the book and the Internet content concentrate on exam relevant knowledge The new study concept simplifies learning understanding training Descriptive legends help the student identify the
