By Frederic H. Martini, Michael J. Timmons, Robert B. Tallitsch : Human Anatomy, 5th Edition amazon human anatomy and physiology books a la carte edition 9780133997040 elaine n marieb katja n hoehn books publisher of books continuing education courses and journals for fitness exercise coaching and sport Human Anatomy, 5th Edition:

1 of 1 review helpful Great book By J S This book came in brand new condition The binding was still stiff It is a larger book than most other science books making it heavier too It is very well illustrated and this helps with anatomy to see what they are trying to explain better This was actually my 3 anatomy course over the past several years to progress in my field and I liked this book the best Despite it s Since its first edition Human Anatomy as been praised for its clarity of presentation its outstanding visually oriented illustration program and its ability to help users understand anatomical structures Past editions of Human Anatomy have won very prestigious awards including the award for Textbook Excellence by the Text and Academic Authors Association and the award for Illustration Excellence by the Association of Medical Illustrators Innovative ped From the Publisher A comprehensive introduction to human anatomy for students majoring in biology or fulfilling prerequisites for nursing allied health or

pre med programs The book has an outstanding art program that combines award winning medical illustratio
