By Kay W. Sieg : Muscle Study Cards, for the book: Illustrated Essentials of Musculoskeletal Anatomy Muscle Study Cards, for the book: Illustrated Essentials of Musculoskeletal Anatomy:

0 of 1 review helpful Good for reviewing By Claude I love these cards I m returning to grad school after over 20 years of having taken Anatomy and Physiology so details of all muscles were difficult for me to recall These cards came in handy when reviewing Gave them 4 stars because of they way the were organized confusing without tabs that I had to place and they were missing one card pg 3
