2 of 2 review helpful A great poster By Elena F Novak My 5 year old boy loves to learn the names of the bones on this poster The size is perfect and it is laminated which makes clean up easy if needed Very pleased with this purchase It took a while for me to flatten it after it was rolled in the shipping container I rolled it gently the opposite way and secured it with rubber bands for a full day and a full night Our new Skeletal System poster based on our best selling

guides covers the anatomy of the human skeletal system with beautiful intricate newly designed illustrations by accomplished anatomical artist Vincent Perez Thorough coverage includes multiple views of the full body skull vertebral column hands and feet identifying both bones and bone structures with labels for reference From teachers and students of anatomy to medical professionals and therapists thi
