By Inc. BarCharts : Anatomy-Paper welcome to innerbody a free educational resource for learning about human anatomy and physiology as well as many careers in the health sciences anatomy articles covering gross anatomy microscopic anatomy natural variants and pathophysiologic variants with accompanying images Anatomy-Paper:

16 of 16 review helpful Excellent Supplement Reference For Work School By Living In SoCal This is quite a bit smaller than the other BarCharts I have purchased It s about the size of a large index card does not have binder holes opens like a book and is laminated It is very nice I do not have problems reading the text A reading magnifier would help anyone who does I am a huge fan of the BarCharts and bull Over 900 anatomical identifications bull Covers all major systems bull Attractive design bull Measures 24 x 36
