By Inc. BarCharts : Acupressure-Laminated anatomical acupressure point chart presenting 12 meridians five elements qi points massage chart with chi healing points for energy work view and print sample pages from dianas book acupressure point charts for horses an illustrated guide to 128 point locations and uses the links for these sample Acupressure-Laminated:

0 of 0 review helpful I was a bit disappointed with the poster cause in description it made it By Nanc I was a bit disappointed with the poster cause in description it made it sound like it was a indian description such as bear something and moon something Boy was I confused It didn t give any kind of explanation on what it was referring to on the chart Can someone shed some light on this poster Thanks 0 of 0 Acupressure and acupuncture points mapped

using multiple views of the full human body and major body parts Beautifully layered illustrations display the surface anatomy with a transparent effect that offers a view of the deeper muscular structure for one half of the body and transparent view to the skeletal structure on the other half This tool can help with learning or teaching the practice or as reference for those being worked on with acupressure or acupuncture
