By Henry Gray : Gray's Anatomy (Leatherbound Classics) (Leatherbound Classic Collection) by F.R.S. Henry Gray (2011) Leather Bound Gray's Anatomy (Leatherbound Classics) (Leatherbound Classic Collection) by F.R.S. Henry Gray (2011) Leather Bound:

4 of 4 review helpful Great original By Beebe Got this as a gift for my girlfriend who is studying to be an athletic trainer She has been wanting a copy to further her knowledge of the anatomy of the human body and has been enthralled reading it It is a little more difficult for her to read than she anticipated but it is only helping her understand more by figuring it all out 6 of 6 review helpful This is an attractively designed edition of Gray s Anatomy the scientific and artistic triumph Kept in print by its clarity and usefulness the text features sumptuous illustrations and clear matter of fact descriptions This exquisite version of the text will make an elegant addition to any home library Gray s Anatomy is a phenomenally well known title and with good reason it is a scientific and artistic triumph Not just a dry index of parts and names Gray s About the Author Henry Gray was born in 1827 and lived most of his life in London He died of smallpox aged just 34 a year after the second edition Anatomy Descriptive and Surgical as Gray s Anatomy was first known was published
