By Marios Loukas MD PhD, Brion Benninger MD MSc, R. Shane Tubbs MS PA-C PhD : Gray's Clinical Photographic Dissector of the Human Body: with STUDENT CONSULT Online Access, 1e (Gray's Anatomy)
Gray's Clinical Photographic Dissector of the Human Body: with STUDENT CONSULT Online Access, 1e (Gray's Anatomy):

1 of 1 review helpful Great By Adriano Ferreira da Silva Book quite interesting for professionals in the area with

really enlightening images rather than just schematic drawings Really worth it 0 of 0 review helpful Great Price Prompt Shipping By Brian R Macpherson Great shape for the price paid which is what I wanted 1 of 2 review helpful Gray rsquo s Clinical Photographic Dissector of the Human Body by Drs Marios Loukas Brion Benninger and R Shane Tubbs helps you take a clinical approach to the study of anatomy This unique dissection guide uses full color photographs rather than anatomical drawings to orient you more quickly in the lab and points out the clinical significance of each structure and every dissection you make You will also find valuable information I wish I could have used this book when I took gross anatomy It is a welcome combination of the two book system my peers and I used one photographic atlas and one diagrammatic dissector As medical students we live on details and technicalities When I t
