By Margaret J. Fehrenbach, Susan W. Herring : Illustrated Anatomy of the Head and Neck, 4th Edition

illustrated anatomy of the head and neck illustrated anatomy of the head and neck 4th edition margaret j fehrenbach 40 out of 5 stars 22 paperback buy illustrated anatomy of head and neck 4th edition 9781437724196 by margaret j fehrenbach for up to 90 off at textbooks Illustrated Anatomy of the Head and Neck, 4th Edition:

0 of 0 review helpful This was the best DH purchase I could have made same textbook for By Aricka C Don t buy from college bookstore lol I repeat lol This was the best DH purchase I could have made same textbook for a better price The college bookstore was ripping us off in the 2k range on books and supplies buy all reused books because the texts are the same page numbers may be off but the content is 100 accurate a Featuring a robust collection of full color

illustrations and photographs Illustrated Anatomy of the Head and Neck 4th Edition provides a complete look at head and neck anatomy with an emphasis on the specific anatomy of the temporomandibular joint TMJ Chapters are organized by anatomical systems including one covering the anatomical basis of local anesthesia and another on the spread of dental infection Written by educators Margaret Fehrenbach and Susan This is a well thought out well formatted and well written book nbsp There is good support from illustrations and photographs throughout all of which are full colour of high quality and in adequate abundance nbsp One of the real assets of this text is it
