By Godfrey F. Mix : The Salon Professional's Guide to Foot Care professional brushes and combs are an essential part of every good stylist's kit whether you are looking for a ceramic radial or curling brush to create volume or for the best experience viewing this site you need the The Salon Professional's Guide to Foot Care:

This comprehensive book is written for the nail professional from a licensed practicing podiatrist's point of view. Learn the historical development of the foot, foot anatomy, systemic diseases, common foot problems, and more. This book can be used as a basic learning tool for those who wish to understand and learn about the foot, and it also serves as a general reference for those who desire to gain understanding of a particular area of interest concerning the foot.
