By Inc. BarCharts : Anatomy (Quickstudy) anatomy and vocabulary flashcards a set of cards bearing information as words on either or both sides used in private study or in teaching space clinical reference cards study resources here at nursestuff we think quick reference cards and clinical nursing cards are handy and practical resources for Anatomy

(Quickstudy):

16 of 16 review helpful Excellent Supplement Reference For Work School By Living In SoCal This is quite a bit smaller than than the other BarCharts I have purchased It s about the size of a large index card does not have binder holes opens like a book and is laminated It is very nice I do not have problems reading the text A reading magnifier would help anyone who does I am a huge fan of the BarCharts and Loaded with beautifully illustrated diagrams clearly and concisely labeled for easy identification Illustrations by award winning medical illustrator Vincent Perez
