16 of 16 review helpful Excellent Supplement Reference For Work School By Living In SoCal This is quite a bit smaller than than the other BarCharts I have purchased It s about the size of a large index card does not have binder holes opens like a book and is laminated It is very nice I do not have problems reading the text A reading magnifier would help anyone who does I am a huge fan of the BarCharts and Loaded with beautifully illustrated diagrams

clearly and concisely labeled for easy identification Illustrations by award winning medical illustrator Vincent Perez
