By Scientific Publishing : Muscular System Female chart: Laminated Wall Chart this life size skull includes 7 cervical vertebrae nerve branches and vertebral artery all mounted our plastic life size adult skull features a movable jaw on dog anatomy chart 85quot; x 11quot; dog anatomy chart of the skeletal and nervous system dog anatomy chart 85quot; x 11quot; dog anatomy chart of the muscular system Muscular System Female chart: Laminated Wall Chart:

1 of 1 review helpful Inclusive anatomy By NerveDoc A new perspective on anatomy At first it seemed unusual to look at the anatomical figures in the female figure but it is nice to have these as part of the demonstration materials in my office I think it is admirable and appropriate to have an inclusive view of human anatomy and these make an excellent compliment to my standard male anatomy charts The poster itself The Female Muscular System chart

graphically portrays front and rear views of the female musculature Other images include a close up of skeletal muscle the muscles of the abdominal wall and the outer muscles of the back Heavy gauge 3mm lamination with sealed edges and two metal eyelets for hanging makes chart highly durable Write on wipe off with dry erase marker not included
