1 of 1 review helpful It s fine unfortunately the packaging was BAD By bizzy I need this for professional use to share with others and was looking forward to it The order was fulfilled by at their Kentucky address and whoever packages this needs to understand that they went way overboard on it You get a very large 3 feet cylindrical cardboard tube mailer Then once you take one of the ends off to take it out you find t The Musculoskeletal System chart has front

views of human musculature and skeleton Additional views include the vertebral column and a cross section of a generalized synovial joint Heavy gauge 3ml lamination with sealed edges and two metal eyelets for hanging makes chart highly durable Write on wipe off with dry erase marker not included
