4 of 4 review helpful Better than Netter By Timothy M Schultz While Netter in general is a good brand name this Wall Chart actually talks more about the Lymphatic System I have both and this is the one I refer to to show patients 0 of 0 review helpful Five Stars By Melanie Nice quality 1 of 1 review helpful Good Wall Chart The Lymphatic System

chart lays out the structure of the system that helps with the body's defenses against infection and disease. The chart shows the overall system of drainage in the body, the structure of lymph nodes and lymph vessels, and the formation of lymphocytes. Heavy cover stock with protective varnish for durability.
