Legendary Italian Sculptors Reproduce Human Anatomy in Wax
By alabasterchambers I am so glad to have discovered at long last this superb medical anatomical art book printed in 1999 by Taschen which arrived

in 100 perfect condition from the UK in June 2015 thanks to Some years ago when I purchased an eyewitness book as a gift for a juvenile reader The Human Body DK Publishing I first lea An understanding of the anatomy of the human body remains the foundation of medical science Witness the eccentric Museo La Specola a unique collection of anatomical wax models from the late 18th century This book includes explanations from the perspective of modern science com Few catalogues of science museums have the power to mesmerize their readers Encyclopaedia Anatomica does just this page after page with its high quality color reproductions of the collection of Florence s Museo La Specola This amazing set of
